Conference Circular 1

The 10th Conference of Staff Associations of International Organisations (CSAIO 10), which will be hosted this year by the Staff Representatives of the EIB, is a follow-up to the previous conferences organised each year since 2000¹.

Each year, this series of conferences aims to bring together staff representatives from international organisations whose headquarters or main offices are in Europe to discuss topics of common interest.

The College of SRs of the EIB will host the Conference at the headquarters of:

European Investment Bank 100 bd Konrad Adenauer L-2950 Luxembourg

Conference dates:

Thursday 17 September (afternoon) and Friday 18 September 2009

(room to be confirmed)

In this Circular, you will find advance information on the contents and organisation of the Conference. If you need additional information or if you would like to comment or make suggestions, please do not hesitate to contact the Office of the EIB's SRs, preferably by e-mail: rpsec@eib.org or by telephone (+352 4379 77000).

Remember to register!

If you would like to attend the conference, please fill in the registration form beforehand.

REMINDER: Please confirm your participation by sending back the registration form

BEFORE FRIDAY 31 July 2009!

Two participants per international organisation may register.

¹ The previous Conferences were organised by OECD in 2000, CERN in 2001, EBRD in 2002, ECB in 2003, EPO in 2004, the European Commission in 2005, the Council of Europe in 2006, OECD in 2007 and EMBL in 2008.

This year's topics

Each year, the Scientific Organising Committee (SOC)² selects topics of wide interest for the staff representatives of international organisations for the annual Conference, in consultation with the Local Organising Committee (LOC)³, on the basis of suggestions made during the previous Conference. For this year's Conference, three topics have been selected:

1. Health and safety at work

Present the types of initiative implemented in your organisation. Are they the result of consultation with the staff representatives? Outline in particular the following aspects: the players (occupational health officer...), , their skills, the services offered to staff (ergonomics well-being, access for the disabled, advisory services, study of psychosocial risks, addictions, risk prevention programmes), the measures applicable in case of accidents at work, or occupational diseases (asbestos-related diseases, carpal tunnel syndrome, etc.).

2. Different employment termination methods

The budgetary problems faced by international organisations are leading to staff reductions, restructuring measures or even outsourcing of certain missions that in the past were entrusted to the staff of international organisations. Against that backdrop, an inventory of the various organisations and the means to be deployed to limit the consequences must be examined.

What different methods of terminating employment are used in your organisation? Describe the staff reduction, restructuring and outsourcing methods etc. employed and outline the resulting positive and negative effects.

3. International organisations and the environment

On account of their diverse activities, international organisations emit large quantities of carbon, thereby contributing to the deterioration of the quality of our environment. What measures are being taken by the Administrations to improve their environmental performance (use of recycled paper, selective sorting, emphasis placed on the energy efficiency of premises, offsetting of carbon emissions generated by missions, etc.)? Do staff have a role to play in the implementation of these measures?

Getting to Luxembourg

By plane

Luxembourg Airport

Luxembourg Airport is the closest and most convenient airport for Luxembourg city (about 15 minutes in a taxi).

On this page you will find the timetables and bus routes to get to/from the airport and a map of the bus network:

http://www.vdl.lu/-p-1445618.html

Travelling by car

Route to take from the motorway to the EIB: http://www.eib.org/attachments/adr-map-luxembourg.pdf

Travelling by train

The main train station in Luxembourg is located in the city centre. There are express national, international and regional train services to countries throughout Europe.

Tip! For those travelling from Paris, we recommend taking the TGV high-speed train from Paris Est which takes 2½ hours to get to Luxembourg.

Link to timetables for trains arriving in/departing from Luxembourg: http://www.cfl.lu/CFLInternet/Espaces/01EspaceVoyageurs

Taxis in Luxembourg

Taxis are available outside Luxembourg train station and the airport. A taxi ride to the EIB costs between €25 and €30.

City of Luxembourg

You will find comprehensive information on the Luxembourg Tourism Office's website: http://www.vdl.lu/

On the map below, the EIB is marked by the number 5 (box C1).
